**RE: File No. 2007-0-1248
Complainant: Shlomo Fuhrer**

Dear Sirs:

Enclosed is a copy of correspondence which we received from Shlomo Fuhrer.

Maryland Rule 16-712 charges Bar Counsel with investigating all complaints which come to his attention.

We must determine, initially, whether this matter should be classified as a formal docketed complaint or is one which is not disciplinary in nature.

Your response to this matter, in writing, within the next **fifteen (15) days**, will help us make this decision. We expect to forward a copy of your response to the Complainant. If your response is not sufficient to support a disposition of the complaint, we may seek further comment from you or from the Complainant before a decision is made. If the matter is deemed one not disciplinary in nature, we will advise you and the Complainant. If we deem the matter one which may be disciplinary in nature, it will become a docketed complaint. Even if a complaint is docketed, it may later be dismissed without taking disciplinary action if further investigation indicates such disposition is appropriate.

The Court of Appeals is concerned about delays in the disciplinary process. Therefore, if you need additional time to respond, it is necessary for you to request an extension in writing with justifiable reasons for requesting the extension.

Very truly yours,

Melvin Hirshman
Bar Counsel
